SCHOLARSHIP DOLLARS AVAILABLE!!!

OECC's half day preschool program is now open. Scholarship dollars are available for our half day program. The half day preschool serves children ages three to kindergarten, and will run from 8:30 a.m. to 11:30 a.m., five days a week, year round.

Please contact Debbie Marvin for questions at dmarvin@oberlinearlychildhood.org or call 774-8193.

We would like to welcome Courtney Porter to our team as a toddler teacher in the Yellow room with Ms. Saless. Courtney has five years experience working in the early childhood education and social work field in the Head Start program and at Blessing House. Courtney has also completed coursework at LCCC and the University of Akron for special education. In her spare time she serves as the Worship Arts Director at her church and also works closely with the children's ministry.

Did you know that Oberlin Early Childhood Center opened the doors to our current facility almost 50 years ago! Our Board of Trustees, staff, parents, and community partners have supported the development of our facility renovation and expansion design. This plan will ensure our organization remains a vital part of the Oberlin community for the next 50 years. We will celebrate our 50th anniversary and launching our Next 50 facility plan and campaign by the end of the year. Keep an eye out for more details.
